

# STRATOJET

HIGH PERFORMANCE | LARGE FORMAT | DIGITAL TECHNOLOGY

[www.stratojetusa.com](http://www.stratojetusa.com)

## **HAWK 72 EcoClean**

**Cost Effective EcoClean Technology for Flexible Substrate Printing**

### **Unbeatable Image Quality**

Impress even the most discerning customer with consistent image quality with up to 1440dpi

### **Unique Oversize Print**

Print without compromises with up to 72" media

### **Best in class total cost of ownership**

Increase profitability by investing in EcoClean technology that has the lowest production cost

### **Enjoy the Eco friendly CleanInks**

Outperform your competition with a cutting edge color gamut, ultra low VOC's and the most environmental friendly CleanInks

With 18 year in the large and grand format industry Stratojet began production of world-class large and grand format printing solutions in 2008.

# EcoClean Features

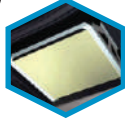

## Quality with Technology

With 1440dpi High Definition output Hawk 72 EcoClean uses Variable Dot Technology to ensure prints have vibrant colors along with smooth gradations in skin tones and sharp text.

## Superior Ink Quality at Minimum Cost

Using the all new EcoClean Inks, the Hawk 72 is a step forward towards the eco-solvent technology, providing richer solids, smoother gradations, with a broader color gamut. The ink system features include refillable ink reservoirs with maximum ink efficiency providing you with big savings on running cost.

## Piezo Inkjet Technology

The high precision inkjet technology enhanced in the all new Hawk 72 provides flawless results throughout production with giving all the users an overall High Quality printing experience.

## UltraPrint RIP Included

Hawk 72 comes bundled with UltraPrint RIP, Stratojet RIP software, providing ease of use capabilities, and advance RIP processing system allowing users to RIP their pdf, jpeg and other formats faster

## Easy Maintenance

Enjoy clearly viewing the print zone with a built in LED lighting. Print effortlessly thanks to the user replaceable capping and cleaning station.
